The image displays two screenshots of the IBM Cognos Analytics interface, showing a story on crop production.

The top screenshot shows the story titled "STORY" with a subtitle "what does the story tell?". A blue smiley face icon is visible in the top left corner. A large blue arrow points to the right. The background is a green field with a small building in the distance.

The bottom screenshot shows the story titled "CROP_PRODUCTION" with a subtitle "The story is about the crop yield and the parameters it depends on...". The background is the same green field with a small building in the distance.

Both screenshots show the IBM Cognos Analytics interface with the title "IBM Cognos Analytics with Watson" and the story name "story on crop production". The interface includes a search bar, a navigation bar, and a timeline at the bottom.
